Bulletin: All Dealers and Tag and Title Business

From: Business Licensing and Driver Instructional Services

Subject: **Excise Tax Credit for Plug-In Electric and Fuel Cell Vehicles**

As a reminder, the \$6 million funding authorized by the Maryland Clean Cars Act of 2019 (HB 1246) as an excise tax credit for both plug-in electric vehicles and fuel cell vehicles for Fiscal Year 2020 (July 1, 2019 – June 30, 2020) has been depleted. Currently, no funding has been authorized beyond the \$6 million for Fiscal Year 2020.

You must alert your customers to this information prior to the purchase of a plug-in electric vehicle or a fuel cell vehicle.
