**RE:** Reminder: Bay Plate Inventory

The Bay Foundation is currently redesigning the Bay Plate and currently there is an abundance of Bay plates already in store with your ERT vendor.

If you need Bay plates, contact your ERT vendor directly for inventory.

If you are encountering any problems with getting inventory, please reach out to Business Licensing at (410) 787-2950 or email at [mvablcsd@mva.maryland.gov](mailto:mvablcsd@mva.maryland.gov).
