RE: Revision for Interchangeable Tag Holders

The MDOT MVA is sending out a revision to the March 23, 2018 bulletin to correct a weblink for processing interchangeable tags online. Interchangeable tags are only able to be processed through the “Fast Track” online link and not through the regular online renewal process used for personal vehicles.

The correct link is:

<https://securetransactions.mva.maryland.gov/emvastore/MainMenu.aspx?startworkflow=fasttrackplugin>

Once renewed online, tag stickers will be sent via postal mail to the tag holder’s address on file.

Tags with outstanding tickets will not be permitted to be processed online. Outstanding tickets must be satisfied, and the renewal must be processed in person at an MDOT MVA branch office.

If you have any questions or concerns, please contact us at (410) 787-2950 or via email at mvablcsd@mva.maryland.gov.
